

WHY WORK AT YDILO?

DYNAMIC

The young workforce at Ydilo makes for a dynamic atmosphere and great team spirit. The average age of our employees is 33.

COMMUNICATION

In a workforce of about 130 employees, communication between departments is smooth and decision making is efficient.

CAREER DEVELOPMENT

Many professionals, who started off as student trainees, now lead projects.

STABILITY

90% of our employees have permanent contracts.

ACCESSIBILITY

Our 3 work centres are easy to reach.

- The head office in Madrid has a train station just 3 minutes away (Pozuelo-El Barrial), as well as direct access to the M-40.
- The office in Las Palmas de Gran Canarias is located in the University Technology Park.
- The office in the UK is located in London.

WORK-LIFE BALANCE

We believe in a healthy balance between our personal & professional lives. In 2008, Ydilo was awarded the second prize for Work-Life Balance by the Local Council of Pozuelo.

SECURITY

The quality of our services and the implicit cost savings they offer allow us to build solid relationships with our customers.

BENEFITS

Private medical insurance and a transport supplement or parking.

FLEXIBILITY

Our working hours are flexible; we enjoy reduced summer working hours and shorter Fridays.

FUTURE

Our plans for the future include international expansion. In 2008 the UK office was set up.
